AIRMAN FOR LIFE

MONTHLY LIFELINE

1 Mar 2020

[Mission ACT: VA facilities across the country offer same-day primary care and mental health services, and many offer additional services as well.](#)

Do you have at least one day of GI Bill entitlement remaining and are seeking a career in the high-tech industry? [VA's Veteran Employment Through Technology Education Courses pilot program, or VET TEC, can help you reach that goal.](#)

[VA to suspend enrollment of new GI Bill students at University of Phoenix, Career Education Corporation, Bellevue University and Temple University](#)

[With the addition of augmented reality tools, we have been able to turn large CT and MRI images into three-dimensional models that you can virtually hold, turn and evaluate in ways that is reminiscent of a futuristic science fiction movie.](#)

[Gary Sinise Foundation announced today that military service members, veterans, first responders, and their families affected by COVID-19 can apply for financial assistance through an initiative of the Foundation's Relief and Resiliency program, called H.O.P.E. \(heal, overcome, persevere, and excel\).](#)

[Here are VA's tips to manage your anxiety](#)

[Code of Supports PATRIOTlink platform is a free online resource database that includes thousands of programs tailored to the military and Veteran community.](#) Through PATRIOTlink, users can search vetted, direct, cost-free services specific to their needs.

[Pride Program for LGBTQ+ Veterans.](#) The program delivers better care and shows these Veterans that VA is a place that welcomes them—a place that serves *all* who served.

[The Marcus Institute for Brain Health has treated more than 313 Veterans and their family members since opening in 2017.](#) Veterans with Other Than Honorable or Dishonorable discharges due to Traumatic Brain Injury or Psychological Health conditions are also eligible. There are no out of pocket expenses for Veterans and their families receiving MIBH's services
