

AIRMAN FOR LIFE

MONTHLY LIFELINE

1 Feb 2023

This volunteer-run program helps the military community file [state and federal tax returns](#). Trained Tax-Aide volunteers are nationwide and IRS-certified each year to ensure they understand the latest changes and additions to the tax code.

Warrior-Scholar Project (WSP) offers free one- and two-week academic boot camps at college campuses nationwide. These academic [boot camps are designed to prepare you for college](#) the same way boot camp prepared you for the military.

[VETS4Warriors](#): 24/7 peer support to prevent crisis

Transitioning out of the military back into civilian life can trigger a world of uncertainty and confusion for many service members. This [Comprehensive transition guide](#) offers valuable career tips

Making the most of your service: How [Veterans' preference](#) works for you

You may be able to make appointments online to see a doctor outside of the VA health care system. VA works with community providers to get you timely and appropriate care. [Scheduling Non-VA Appointments](#).

Planning for future health care needs is important for everyone. [VA offers an advance directive](#) form to help you with this planning. An advance directive is a document that tells

your health care team and loved ones your preferences if you are ever too sick to make health care decisions for yourself. Completing an advance directive provides your health care team and your loved ones with a record of your preferences.
